**Figure 38**

**GEOLOGY AND MINERAL OCCURRENCES IN THE HEDLEY GOLD SKARN DISTRICT**

By G.E. Ray and G.L. Dawson

Assisted by I.C.L. Webster, M. MacLean, M. Mills and M.A. Fournier

**Sheet 2 of 2**

**Scaling: 1:30,000**

### Legend

- **Quaternary**
- **Alluvial deposits**
- **Lithology**
- **Quartz porphyry**
- **Chillal Creek pluton**
- **Early Archean**
- **Late Tertiary**
- **Middle Tertiary**
- **Middle Miocene**
- **Early Miocene**
- **Uncertain age**

### Symbols

- **Geological boundaries (defined, non-defined)**
- **Quartz porphyry**
- **Chillal Creek pluton**
- **Early Archean**
- **Late Tertiary**
- **Middle Tertiary**
- **Middle Miocene**
- **Early Miocene**
- **Uncertain age**

### Table: Mineral Occurrences
